**Five Keys to Freedom**

## **KEY #1 - REPENTANCE & FAITH**

Jesus, I'm sorry for ...

*End (repentance): I ask you to forgive me and I receive your mercy now.*

Jesus, I believe you are the Son of God who died for my sins. I believe you can set me free and heal me especially in these areas I surrender to you now ...

*End (faith): I trust you Jesus, my Savior and my Lord!*

## **KEY #2 - FORGIVENESS**

In the name of Jesus, and in union with him on the cross, I forgive ... for ...when ... and for all the ways these things affected me.

*End: I release all judgment to God, who has shown me his mercy.*

## **KEY #3 & 4 RENUNCIATION**

In the name of Jesus, I renounce (name areas of bondage; name lies) ...

*End: I choose God and/or I declare the truth that ....*

## **KEY #4 AUTHORITY**

*In the name of Jesus Christ, I take authority over all evil spirits that I have named, and I command them to leave me right now.*

## **KEY #5 - THE FATHER'S BLESSING**

Father, speak truth to my heart now and show me who I am, what I was made for, and where I belong.
